Meet the 2015 Board Nominees

Elections to be held at the Annual Business Meeting on January 24, 2015

We're pleased to announce the slate of candidates to serve on the Board of Directors of the California Genealogical Society. Their mini bios are listed below; additional information about them has been posted on our blog.

Linda Harms Okazaki is a fourth-generation San Franciscan. As a CGS volunteer, she first started in Book Repair before joining the Desk Duty team. She served as the Volunteer Coordinator for two years and managed the research team for Their Roots Are Showing in 2013.

Todd Armstrong first became interested in genealogy as a teen when he received his great-great grandfather's 1864 Civil War diary. He joined CGS while attending the first Ancestry Day. In 2013, he played an active role in the research and presentation of CGS' fundraiser, Their Roots Are Showing.

Therese Hart-Pignotti is a fourth-generation Walnut Creek-er. In 2013 she was one of the producers of Their Roots Are Showing, which raised substantial funds for the society. She also works the front desk during our Thursday Late Night Summer Hours.

Kathleen Dunn Jones is now serving as Treasurer for the society. A member since 1999, she most recently has been instrumental in converting the society over to a new membership management and finance software program. She was born and raised in San Francisco, but has spent her adult life living in the Oakland Hills.

3) Visit our eBay store for books about California and beyond, family histories, and more.
4) Check out the CGS publications for books of genealogical interest to those with California ancestors.
5) Consider making a donation in honor of the person who inspired your interest in family history.
