Asian Pacific Islander Heritage Month

Join us in paying tribute to the generations of Asian and Pacific Islanders who have enriched world history. In the U.S.A. the month of May was chosen by congressional bill in June 1977 to commemorate the immigration of the first Japanese to the United States on May 7, 1843, and to mark the anniversary of the completion of the transcontinental railroad on May 10, 1869. The majority of the workers who laid the tracks were Chinese immigrants.

This year is the 150th anniversary of the completion of the transcontinental railway. Read more about this event at:

- This Day in History - May 10, 1869
- NBC News - "150 years ago, Chinese railroad workers risked their lives in pursuit of the American dream"
- Chinese Railroad Workers Descendants Association

Here are other resources to assist your Asian / Pacific research.

- Hawai'i State Archives
- Cyndi's List - Asia and the Pacific
- National Archives - Chinese Immigration
- National Archive at San Francisco (in San Bruno) has records generated by the Federal courts and more than 100 Federal agency field offices in Hawaii, American Samoa, Guam, former Trust Territory of the Pacific Islands (i.e. Marshall, Caroline, and Northern Mariana Islands). Holdings also include records of U.S. Navy bases on foreign territory in the Pacific and Far East and are a
primary resource for the study of Asian-Pacific immigration, environmental and natural history, naval and military activity in the Pacific.

- **Angel Island Immigration Island Foundation**, the "Ellis Island of West".

Going into effect on June 1st are modest changes to our Membership Rates, so if you have been thinking about joining the society and want to get a good deal - don't wait. Now is the time to join at our current rates.

In June the cost of a Basic Membership will increase from $40 to $45 annually and from $75 to $85 for a two-year subscription. Still a bargain. Family Memberships will increase by $20 per year. The Student Membership category was changed to a "Youth Membership" with the cut off for being considered a youth at age 30. The fee for a Youth Membership will increase from $20 to $25.

Life Membership has been clarified to be only for one person. But, if a partner in a couple also wants to be a Life Member, the second person can join for an additional $600 which is half price.

We hope you will agree that the value of your membership is well worth the cost and that you will continue to participate actively in the society so you can take advantage of the many things we offer - great classes, field trips, research trips, membership meetings, and opportunities to work with other members on projects.

2019 CGS Genie Awards

For the past several years, the California Genealogical Society has recognized some of our amazing volunteers for their contributions to a longtime (since 1898!) organization dedicated to assisting folks researching their ancestry. This year, we honor: former members of the Membership Committee, Nancy Servin, Adelle Treakle and Cheryl Schmidt; Saturday Library Assistant, Jerry McGovern; and longtime, former Book Repair Chair, Bill O'Neil. Congratulations to our "Genie Awards" recipients (they "make magic happen" at CGS!) and a big THANK YOU to all of our fabulous volunteers!

### Looking for Your Mishpocha In All the Right Places: How to Dig Up Your Jewish Family Roots with Vivian Kahn

This talk will offer an introduction to Jewish family research highlighting the increasingly vast resources available online and on the ground both in the US and overseas. Vivian will discuss some of the issues that are unique to researching Jewish families as well as techniques for addressing them.

Saturday, Jun 8, from 1 - 3 p.m.

### Excel for Genealogists with Stewart Blandón Traiman

Stewart loves spreadsheets! He is an expert in Microsoft Excel using it in genealogy quite frequently. Laying out all the data in Excel can help researchers see gaps in knowledge or correlations between data points. Stewart shows many examples of his use of spreadsheets.

This is a hands-on class. Please bring a laptop with Excel loaded.

Spreadsheets are fun!

Saturday, Jun 22, from 1 - 4 p.m.

### Building Skills for Successful Family History Research with Pamela Brett

This series is for family historians, both beginners and intermediates, who want to build a strong foundation of research skills to avoid wasted time and unreliable family trees.

Six key research skills will be included:
1. Determining which kinds of records to look for
2. Identifying where to find these records
3. Documenting the sources of your information
4. Assessing the reliability of the records you found
5. Analyzing the results of your research
6. Making a solid case for your research conclusions

In-class group exercises and optional homework assignments will provide participants practice skills with a wide variety of genealogical records found in a many different places including online websites.
This class meets at the Oakland Family History Center  
Five Wednesday nights: July 10, 17, 24, 31 from 6 - 8:30 p.m.
