November 2019 Announcements

November is **Native American Heritage Month**.

"The month is a time to celebrate rich and diverse cultures, traditions, and histories and to acknowledge the important contributions of Native people. Heritage Month is also an opportune time to educate the general public about tribes, to raise a general awareness about the unique challenges Native people have faced both historically and in the present, and the ways in which tribal citizens have worked to conquer these challenges." -- [National Congress of American Indians](https://www.ncai.org)

For genealogists it’s a time to do deeper research into our Native American roots.

Excel for Genealogists with Stewart Blandón Traiman

Stewart loves spreadsheets! He is an expert in Microsoft Excel using it in genealogy quite frequently. Laying out all the data in Excel can help researchers see gaps in knowledge or correlations between data points. Stewart shows many examples of his use of spreadsheets.

This is a hands-on class. Please bring a laptop with Excel loaded.

Spreadsheets are fun!

Saturday, Jan 25 from 1 - 3:30 p.m.
(This class often sells out - sign up early)

Volunteers!

Be a Front Desk Friend!

Due to a series of family illnesses and retirements, we have several volunteer vacancies on the CGS Front Desk Committee. This is a great opportunity for members to contribute their time and talent to our all-volunteer organization. Here are the details:

- Commitment is once-a-month; staffing the front desk in the CGS library (Thursdays, Friday or Saturdays).
- A Front Desk shift is six hours; 10 a.m. - 4 p.m.
- You can work a shift with another member.
- You can do a "split shift" with another member (10 a.m. - 1 p.m. or 1 p.m.- 4 p.m.)
- Generally, you will greet library visitors and answer the phone. Training is provided.
- You can do some of your own genealogical research during "lulls" in the day!
- There are always cookies in the break room.

Feel free to submit the CGS Volunteer Form or contact Kathleen Beitiks for more information!
