May 2021 Announcements

Join us in paying tribute to the generations of Asian and Pacific Islanders who have enriched world history. In the U.S.A. the month of May was chosen by a congressional bill in June 1977 to commemorate the immigration of the first Japanese to the United States on May 7, 1843, and to mark the anniversary of the completion of the transcontinental railroad on May 10, 1869. The majority of the workers who laid the tracks were Chinese immigrants.

CGS has two FREE events this month on the AAPI community.

His interest in genealogy and cemeteries began when he accompanied his grandmother, Letha Mae Wofford, to a cemetery in her native Pontotoc County, Oklahoma, when he was only seven years old. In the past twenty-one years, he has uploaded tens of thousands of photographs and created virtual cemeteries for Filipino American heroes and pioneers, worked with Chinese American organizations in Stockton and San Francisco to document Chinese cemeteries, found Asian American sections of cemeteries throughout the West Coast, and completely documented multiple cemeteries in California and Oklahoma.
