Achievement
By Wm. Smelli

Mind slumbers
And the mighty worlds lie still,
Drifting in their orbits,
Waiting for the Almighty Touch of Will.

Lives lie dormant.
Cosmic Influence, pregnant with strength
Of All-Creative Power,
Abides its time, waits patiently; at length

Mind Awakes!
The giants of the spheres with mighty bound
Depart upon their missions.
From distances divine, each thread is found

That links the web
Of Evolution’s universal scheme.
God holds the reins of Power,
And lo! Man is created from a dream.

A few metallic type
Were the first harbingers of future glory
As told in printed word.
The Progress of the page, a wondrous story

Of tireless endeavor,
Forever striving upward, onward, till
At last, today, the Press
Is the supreme embodiment of Will

Translated into being.
Achievement is the crowning glory of the age.
Man is the King of earth.
His priceless treasure is the Printed Page!
Introduction

GLANCE at the last page of our 1915 Directory and these words you will see, 'Watch This Directory Grow; 'Progress is the Law of Nature; under God it shall be our Eternal Guiding Star.'”

From seventy-six pages it has grown to one hundred and forty.

The task of compiling this directory of the Leading Cities of Northern California has been a stupendous one and we trust that our efforts will be appreciated.

The colored people are attaining greater importance every year in this part of California. They have started to establish themselves and when it comes to a consideration of the progress made, the camera submits this indisputable testimony.

Millions of dollars are represented in the business enterprises and homes, showing evidences of great industrial growth, commercial and financial activity and prosperity and the outlay of private wealth to acquire residential comforts, culture and perfection in beautiful surroundings, which the geniality of California’s climate specially favors.

The colored man’s prosperity in Northern California, certainly is more conspicuous to-day than ever before and clearly indicates possibilities that defy the most active human imagination to fully comprehend his final development.

Gentlemen:

I acknowledge receipt of the copy of the Colored American Directory of the Bay Cities, which you were kind enough to send me. I congratulate you most heartily upon issuing such a creditable publication. It contains a great deal of valuable information in addition to the Directory features. The section containing cuts of homes owned by colored people in that section is very creditably illustrated.

I wish you continued success in your business.

Yours very truly,

Booke T. Washington.

Booker T. Washington Opposed the Liquor Traffic

Hon. W. J. Bryan under date of December 28, 1915 sent the following communication to Rev. J. Gordon McPherson, relative to the stand of the late Dr. Booker T. Washington on the liquor traffic:

"I venture to report a meeting which I had with Booker T. Washington on Apr. 30, 1915. I was delivering a speech at Carnegie Hall, New York, in favor of total abstinence, and at the conclusion of my remarks, circulated a pledge among the audience. It read, 'We, the undersigned, promise, God helping us, never to use intoxicating liquor as a beverage.' When I took my seat the audience called for Washington, and I then learned that Booker T. Washington was on the stage. He came forward and made a brief speech, in the course of which he said that he had signed the pledge above mentioned, adding that his people, meaning the members of his race, had suffered more from the use of intoxicating liquors than from any other cause."

Lincoln Opposed the Liquor Traffic

On the very last day of his earthly life President Lincoln Said: "Merwin, we have cleaned up a colossal job. Slavery is abolished. After reconstruction the next great question will be the overthrow and suppression of the legalized liquor traffic, and you know my head and my heart, my hand and my purse will go into this contest for victory. In 1842, less than a quarter of a century ago, I predicted that the day would come when there would be neither a slave nor a drunkard in the land. I have lived to see one prediction fulfilled. I hope to live to see the other."

To defeat the Liquor Traffic Vote "YES" on Questions 1 and 2 on the ballot at THE NEXT ELECTION, NOVEMBER 7, 1916. [84]

Clairvoyant and Spiritualist
Always Consult the
Best 30 years in S.F. Medium LENA

A true Clairvoyant is born, not made. Born in San Francisco with the power of twelve clairvoyants, one hundred years in advance of the ordinary reader, in a class distinctly alone, without knowing who or what you are, without asking you any questions, this strangely gifted lady reads your entire past and future life with unriverring accuracy. She tells you who your friends, enemies or rivals are; whether husband, wife or sweetheart are true; tells how to gain the love of anyone; teaches you how to succeed in business, love, marriage, law suits and investments; in fact, everything. If you are in doubt or trouble of any kind, in ill health, or unsuccessful, no matter what the cause or nature of your trouble or illness may be, this strangely gifted lady can help you.

Remember, Medium Lena is the only member in this city of world fame, and can bring to bear upon your case the full irresistible power of this mighty organization. Remember, you can consult this Phenomenon on all affairs of life, no matter what. Everything, love, courtship, marriage, divorce, death, wills, deeds, mortgages, investments, insurance, speculation, patents, business, money, friends, law, dreams, etc. Wealth and happiness brought through her power. If you yearn for anything, call at once and have the desired results brought about speedily. She helps, advises and guides you with a higher than human power. She unites the separated, settles love quarrels, and causes speedy and happy marriages with one of your choice; removes evil influences, etc. Property, travels, changes.

A good many people wanted to go to the old country five years ago and I told them not to go: that there would be a war. If the King would have asked Prof. Lena what day he should go out he would have been alive yet, and there would have been no war.

I am the one that prophesied the big earthquake of April 18th, 1906. I speak fourteen languages. Read your life from cradle to the grave. I guarantee to help you in all love affairs when all others fail. Make lots of poor, rich, and lots of bad, good. Others come and go; I remain.

This is the Country Home of
Mr. C. E. Orr in
Fresno County.

Mr. Orr came to California in 1896, penniless, like most of our Southern people. In Oakland some eighteen years ago he decided that he would save his earnings and purchase a ranch, which he succeeded in doing. The above place consists of 50 acres and when bought eight years ago it was a wheat field, without any improvements at all, and today it is the best improved place in the neighborhood regardless of race or color. This place when at its best and seasons are favorable, Mr. Orr says that he can count on about 40 tons of grapes and 20 tons of dried peaches of the highest standard. R. R. F Box 285.
