In this four session workshop, Lisa Gorrell will feature interactive exploration of websites and records with exercises that will cover the types of deeds found in the original thirteen states including those that were part of Virginia and North Carolina (Tennessee & Kentucky), and those that were independent republics before joining the union (Hawaii and Texas). Attendees will learn the terminology, the components, and the key information to extract. Also, there will be practice in platting a deed.

REQUIREMENTS:

1. Ability to have two screens: Either two monitors connected to one computer, or by logging into class with a tablet or phone and doing the hands-on activities on a computer connected to the internet.
2. Account with FamilySearch.org (free)
3. Materials: clear protractor, small rule, graph paper

The event will take place via Zoom. If you join, please sign in early to make sure you are able to see the program. We will send you instructions the night before, and a reminder shortly before the event, which will give you access.

Instructor Lisa Gorrell has been researching her family for over twenty years. Besides Southern and Midwest states, she researches German, Irish, English, and Swedish families. She is a former board member of CGS and the Contra Costa County Genealogical Society, and is currently on the board at the Contra Costa Historical Society. Her blogs include, "Mam-mas's Southern Family" and "My Trails into the Past."

This 4-class series is available to California Genealogical Society Members for \$100, Non-Members for \$140.
